

## A new twist on a classic idea

Hosting product parties has become a worldwide phenomenon, providing millions of people with an enjoyable, unique shopping experience. Today's Shout-Outs® Stationery and Gift Parties offer products that are truly one-of-a-kind, illustrated and designed for your guests using their favorite photo (loved one – child, pet or friend... or themselves!) as inspiration.

Each illustration can be used on any of our products, at any time. Your illustration is archived for your future use. Your daughter's drawing can be printed as a poster for her room – then Stationery Sets can be given to her Grandparents and then a Framed Print for her Father for Father's Day! The possibilities are endless!

Personalize your party!

Enjoy a fun and personalized experience in the privacy and comfort of your own home. Your Shout-Outs® Consultant can spend as little or as much time as you wish... it's up to you. No matter what your lifestyle, we can customize the party to fit the needs of you and your guests.
